

## LEVEL 0 AGE GRID 2020-2021

Athlete age for the entire 2020-2021 season is determined by their age as of 31st August 2020.

As per the information on last season's Level 0 Age Grid, please note minimum ages have been introduced for the 2020-2021 season.

Also, for the 2020-2021 season only, in line with the SportCheer UK Age Grid, **the Level 0 upper age limit has been increased by one year**, so that athletes may have another opportunity to compete with their 2019-2020 season teams. This one-year extension is applicable for the 2020-2021 season ONLY.
