SCORING SYSTEM 2026 - 2027

Scoring System

ICE will use the United Scoring system for the 2026-2027 Competition season.

We will be sticking with non-comparative scoring for all non worlds teams, but have adjusted the numbers for each rubric to bring them closer in line to the UK Scoring system recently being implemented by UK EPs.

Worlds Teams

These teams will be scored using the IASF scoring system.

Prep Teams

PREP teams will use the rubrics in their original form from united scoring.

SCORING SYSTEM

2026 - 2027

Building Quantity Chart

ALL other teams that have a quantity requirement will use the numbers set out below to fulfil the quantity charts.

	Majority	Most	Max
